How to it works

1. You may place a request items through the CLAMS catalog. Go to www.clamsnet.org. You will need your library card number and your pin number. (Your pin number is typically the last four digits of your card number)
2. You may request items by phone at 508-945-5170 Monday through Friday from 10:00 am to 5:00 pm, and Saturday 10:00 am to 2:00 pm.
3. Requests will be filled in the order in which they are received. It may take a few days to fulfill your request.
4. You will receive an email or telephone confirmation when your request is available for pickup. **Do not travel to the library to pick up items unless you have received a confirmation.**
5. Your requested items will be bagged and placed alphabetically on shelving just inside the Library's side, rear entrance. Your due date slip will be in the bag. Your last name will be clearly printed on the bag for easy identification when you arrive. Just grab and go, following the direction of marked arrows on the walkway and observing social distancing protocols at all times!
6. **All library patrons MUST wear a mask and maintain a 6 ft. social distance between other patrons during pickup.** If someone else is retrieving their items at the same time, please wait until they finish their pick-up before retrieving your materials.
7. Any items not picked-up within four days will be placed back into circulation or sent back to the owning library. Please let us know if you need to schedule a new pick-up day.
8. You may call the library for reading recommendations, reference questions, or general inquiries from 10:00 am to 5:00 pm Monday through Friday.
9. We will be open for limited in-library services on Tuesdays and Thursday (starting Oct 13) by appointment only. Do not go beyond the curbside pickup area if you do not have an appointment. Call the Library at 508-945-5170 to schedule an appointment.
