## THANK YOU JUNIOR FRIENDS!

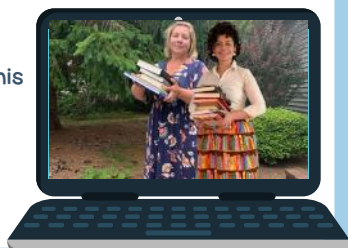

Have you met our Junior Friends? These students in 5th through 12th Grade pitch in wherever they are needed at the EPL! This winter our young volunteers have been busy brainstorming youth programming, creating displays in Youth Services, prepping program materials, cleaning up after Library events, and selling merchandise to benefit the Friends of the EPL. In November and December the Junior Friends worked hard to

create handmade gifts for senior citizens in our community. What a joy it was to see the happiness and cheer that these gifts brought when they were delivered! A big "THANK YOU!" to all the Junior Friends for their hard work - they are truly bright lights!

## EPL SERVICES UPDATE

For the health, safety, and comfort of our patrons and staff we will be moving our Youth Services programming to Zoom during the month of January. One exception to this will be the Wee Read program for children 18 months to 3 years old and their caregivers. This program will continue to be held on the front lawn of the EPL, weather permitting. Thank you for your patience and understanding as we continue to navigate services and programming during this time of fluctuating pandemic conditions.

## COLLECTORS NEEDED!

Calling all collectors! Here's your chance to share the amazing items in your collection!

We're bringing back the Youth Services Collection Display Case and we need collectors to sign up for month-long displays. Stop by Youth Services to reserve the case for a month and share your collection with our community!

## HAPPY NEW YEAR!

The entire Youth Services team wishes you a happy, healthy, and peaceful new year!
