## May 2023

### May 6th is Free Comic Book Day!

What is Free Comic Book Day? It is an event that takes place every year on the first Saturday of May, during which bookstores, comic book shops, and libraries all around the world give out free comic books. We are excited to announce that the

Eldredge Public Library has been selected as a library partner for this year's Free Comic Book Day!

Students in 2nd through 12th grade are invited to visit Youth Services from 11:00 am to 3:00 pm on May 6th to pick out a free comic, create comic art, and explore comics and graphic novels here at the Library! **Please note that free comics are limited and only available while supplies last. Students may pick one free comic.**

### The Science Center Is Open In Youth Services!

Come see what you will discover in our Science Center! Each season, you'll find something new to investigate and explore. We have scientific tools, safety glasses, and hands-on experiments to perform. We hope to spark your interest in the science that surrounds us!

Making reading a part of your daily routine makes a difference in your child's literacy skills! A little reading time each day means you'll reach 1,000 books before kindergarten with ease.

Here are a few program participants celebrating their reading milestones! If you'd like more information on the 1,000 Books Before Kindergarten program, visit us in Youth Services or head to [eldredgelibrary.beanstack.org](http://eldredgelibrary.beanstack.org).
