DINOvember takes over Eldredge Public Library All Month Long!

Something prehistoric is stirring in the heart of Eldredge Public Library. That's right, folks, it's DINOvember! What is DINOvember, you ask? DINOvember is a month-long celebration of all things dinosaur, where imagination runs wild, and the library transforms into a land of prehistoric wonder. This month-long celebration has been happening at libraries around the country and we're so excited to bring the fossil fun to you!

What to Expect:

- Dinos On The Move:** Each day our visiting dinosaurs will be moving around Youth Services. Stop by to see what they get up to each day.
- Prehistoric Programs:** Your Youth Service Librarians are ready to take you on a journey through time and space with thrilling dinosaur-themed programming. Get ready for tales of daring dino explorations, time-traveling adventures, and friendly dinosaur encounters. And who knows, you might even spot a dinosaur or two roaming the aisles during storytime!
- Dino-fied Crafts:** Unleash your inner paleontologist with our hands-on crafting sessions. We'll learn about dinosaurs in many different ways, including make and take craft projects, DIY fossil excavations, and more!
- Dino Hunts:** Throughout the month, we'll be hosting scavenger hunts, challenging you to find hidden dinosaurs. Prizes await the most intrepid explorers!

So, whether you're a dino-devotee or just looking for a roarin' good time, come join us for Dinovember. It's going to be a month full of fun, laughter, and, of course, DINOSAURS! We can't wait to see you there!
