Fall 2023

Greetings!

For nearly 130 years the Eldredge Public Library has been essential to the life of the Chatham community. Situated literally in the heart of the town, it has been an invaluable resource to all the town's residents—youngsters, parents, seniors, summer residents, and out-of-towners—and we are proud of our reputation for accessibility, reliability, and caring. Over these years the Library has touched the lives of many as a center of learning and information, and in these challenging times these qualities are vitally important.

With these thoughts in mind, we are asking you to partner with us to ensure that our important work can continue. Unrestricted gifts that we receive from generous donors to the Annual Fund campaign are essential both to sustaining our day-to-day operations and to helping us explore exciting new initiatives related to community outreach and library sustainability. In the truest sense, your support will make a difference.

Your participation in the Annual Fund campaign, at any level, is a vote of confidence in what we have done in the past and the difference we can make in the future for Chatham.

With sincere appreciation,

A. Kerry Brown
President, Board of Trustees
