

Eldredge Public Library Seed Swap Requirements

By following these instructions, you can ensure that the donated seeds meet the requirements and are properly labeled for the recipient's use. Thank you for collecting and donating seeds for others to enjoy.

Seed Requirements:

- Seeds should not be more than 2 years old
- Plants, vegetables, fruits, and flowers are all welcome
- Seeds can be locally saved, commercially grown, or open-pollinated
- Seeds may be brought in bulk or as individual packets
 - Bulk:
 - Containers will not be returned to the donor
 - No open containers - must have a lid or be sealed
 - Labels must be secured onto or within containers
 - Individual Packets:
 - Must be sealable and individually labeled
 - Must be grouped in a labeled container

Label Requirements:

- Donor's full name and number
- Name of plant, including any specifics of variation, color, etc.
- Year purchased or harvested
- Indicate any of the following:
 - Locally saved or purchased
 - Wild or domestically harvested
 - Organic or non-organic treatment
 - Any growing tips
