

WHAT IS AN ANY BOOK CLUB?

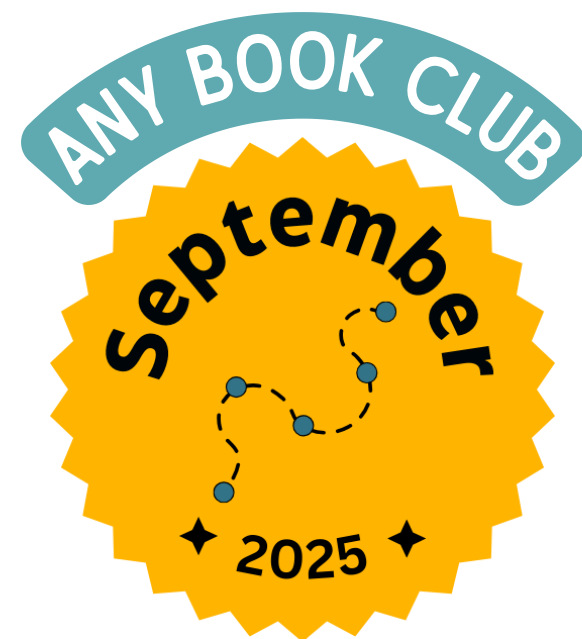

An any book club is a book club where the members read any book that fits the theme or category that month. Each member will choose their own book for each month, which means you may be reading the same book as someone else, but maybe not! We will be using the Mass Center for the Book's 2025 Reading Challenge as our guide.

LOOKING AHEAD...

October: A book published by a Massachusetts press

November: A cookbook or book about food

December: A book by an author you've read before
