GNOMEvember 2026

It's our first GNOME-vember!

It has been our special tradition at the EPL to celebrate DINOvember each year during the month of November. After a full summer of Dinosaur exploration in our *Summer Reading Adventure*, we're saying words we never thought would come out of our mouths: **we need a break from dinosaurs**! So this year, we're doing something a little bit different, though just as fun and silly, by celebrating GNOME-vember. All month long we'll have special gnome programs, gnome scavenger hunts, gnome crafts, gnome books, and even a gnome movie! More than anything else though, November is a month for gratitude and thankfulness, and we are tremendously thankful for our wonderful community! Thank you for spending time with us here at the library, letting us get to know you and your families, and for sharing your reading adventures with us. We hope you'll stop by this month to explore our Enchanted Forest imaginary play area, find some of our silly gnomes, and maybe even build a gnome and fairy house too. We can't wait to see you!
